Cagle, L. E. (2018). Climate change and the virtue of civility: Cultivating productive deliberation around public scientific controversy. *Rhetoric Review*, 37(4), 370-379.

Cagle, L.E. (2017). Becoming 'forces of change': Making a case for engaged rhetoric of science, technology, engineering, and medicine. *POROJ*, 12(2).

Cagle, L. E., & Tillery, D. (2017). Tweeting the Anthropocene: #400ppm as networked event. In K. Northcut & H. Yu (Eds.), *Scientific communication: Practices, theories, and pedagogies* (pp. 131-148). Routledge Studies in Technical Communication, Rhetoric, and Culture Series.

Browning, E. R., & **Cagle, L. E.** (2017). Teaching a 'Critical Accessibility Case Study': Developing disability studies curricula for the technical communication classroom. *Journal of Technical Writing and Communication*, 47(4), 440-463.

Cagle, L. E., & Tillery, D. (2015). Climate change research across disciplines: The value and uses of multidisciplinary research reviews for technical communication. *Technical Communication Quarterly*, 24(2), 147-163.

Synergistic Activities

Director & Co-Founder of the Kentucky Climate Consortium (KYCC), 2018-present: The KYCC's 60+ members from 9 universities statewide provides climate researchers and educators opportunities for learning, networking, and collaboration.

Contributing Author, "Anti-racist scholarly reviewing practices: A heuristic for editors, reviewers, and authors," 2021: heuristic and commitment statements adopted by the Editorial Board of the WAC Clearinghouse, the SIGDOC Executive Committee, and the Council of Editors of Learned Journals.

Co-Primary Investigator (with Carmen Agouridis), "Evaluating and addressing awareness of climate and water-related issues in Kentucky," 2018-2019. IRB-approved research funded by the KWRI including 1) development of a state-wide Kentucky Climate, 2) interviews with subject matter experts on Kentucky water resources, 3) development and deployment of a state-wide survey on public awareness of and attitudes about water and climate, and 4) development and pilot-testing of training materials for agricultural extension agents on talking with members of the Kentucky public about climate and water.

Curriculum development, graduate coursework in technical communication, 2018-2019: developed and delivered curriculum for 3 of 4 courses in the University of Kentucky's Graduate Certificate in Technical Communication: Introduction to Technical Communication, Technical Editing, and Visual Rhetoric. They serve professional and graduate students in technical and scientific disciplines.
