CAIP Investment Areas 2020

Fencing & On-Farm Water:

- **Fence (additional items surround fence) -382**
- **Water source Enhancement/Development**
 - **On-Farm Ponds -378**
 - **Subsurface aquifers and wells -642**
 - **On-Farm Perennial springs-574**
 - **Construction of small stream water basins-638**
 - **Cisterns for farm usage**
 - **Water hook-up for farm usage**
 - **Small water treatment facility to treat service water for livestock**
- https://agpolicy.ky.gov/funds/Documents/caip-current/caip-20_fence-water.pdf

CAIP Investment Areas 2020

Fencing & On-Farm Water:

- **Water Movement -449**
 - **Waterers, automatic waterers**
 - **Piping, water lines-516**
 - **Water storage tanks**
 - **Irrigation equipment**
 - **Pumps, regulators**
 - **Shut-off valves**
 - **Gutters for water harvesting**
 - **Other water delivery system equipment-587**
- **Environmental Stewardship**
 - **Subsurface Drainage-606**
 - **Surface Drainage-412**

CAIP Investment Areas 2020

Innovative Ag Systems:

- **Fenceline Feeders-382/561**
- **Gravel Paver Grid-561**
- **Solar Power Watering System 570/614/636**
- **Tire Waterers-382/561/614**
- **Water Harvesting 614/636**
